Steps

Total - 16

Pass - 12

Fail - 1

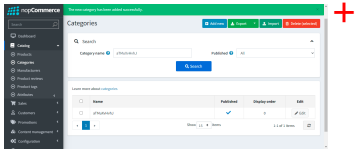

Skip - 3

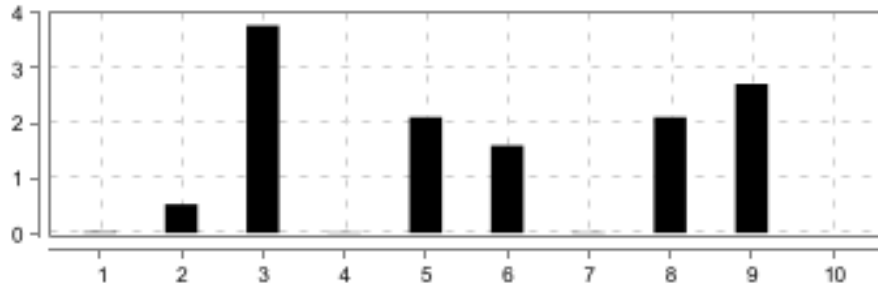

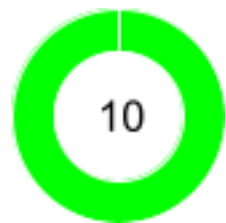

A donut chart representing the distribution of step results. The chart is divided into four segments: a large green segment for 'Pass' (12), a small red segment for 'Fail' (1), a small yellow segment for 'Skip' (3), and a very small white segment for 'Total' (16). The number '16' is displayed in the center of the donut.

(S) Delete added category

(F) Categories Feature in the application

The screenshot displays the nopCommerce administration interface. A green notification banner at the top states "The new category has been added successfully." The main heading is "Categories". On the left is a dark sidebar with a search bar and a menu containing: Dashboard, Catalog (expanded), Products, Categories (selected), Manufacturers, Product reviews, Product tags, Attributes, Sales, Customers, Promotions, Content management, and Configuration. The main content area includes a search bar with filters for "Category name" (aTMuXvHvhJ) and "Published" (All), and a "Search" button. Below this is a section titled "Learn more about categories" containing a table. The table has columns for selection, Name, Published, Display order, and Edit. It lists one category: aTMuXvHvhJ, which is published (indicated by a blue checkmark) and has a display order of 0. At the bottom, there is a pagination control showing "1" of 1 items, a "Show 15 items" dropdown, and a "1-1 of 1 items" status with a refresh icon.

<input type="checkbox"/>	Name	Published	Display order	Edit
<input type="checkbox"/>	aTMuXvHvhJ	✓	0	Edit
